Reinstatement Overview

When your certification lapses, you are eligible to reinstate for up to 5 years after the date of your lapse.

Once reinstated, your certificate will be restored to the original expiration date.

The reinstatement process includes:

Reinstatement Fee

To begin the reinstatement application process, you must purchase the Reinstatement Application Course.

Reinstatement Application

Once you have enrolled in the Reinstatement Application Course on the VIP LMS, you may complete and submit your application.

Reinstatement Exam

Once your application has been approved, you will need to take and pass the associated certification program exam.

More Information

For more information on the reinstatement process, view the FAQs on the [VIP LMS](#) or email absorb@dgs.virginia.gov.
