

**Karen K. Korth, PhD NCC PCMH CCE CPHPA**

Director of Quality Performance

Dr. Karen K. Korth, NCC, PCMH CCE CPHPA is the Director of Quality Performance for Best Practices Academy (BPA). Dr. Karen's work with BPA involves guiding practices through NCQA's PCCC recognition and in achieving full accreditation through the AAAHC. She is a nationally certified mental health counselor, an NCQA PCMH Certified Content Expert and a certified PQRS Healthcare Professional.

Her passion ignites in helping practices engage in understanding their culture and becoming learning organizations. Her doctoral research was in change management and she has worked facilitating change in organizations for nearly 20 years. Her expertise spans bio-energy, education and healthcare industries. She believes in challenging the status quo and is considered an inspirational innovator in both professional and personal endeavors. She believes in helping individuals and organizations actualize their potential. Dr. Korth has a post-doctoral certification from William Bridges in Managing Transitions and is a certified Practice Facilitator for the PCMH via the University of Buffalo in New York PBRN.
